

Project AIM

Aspire to be better, Instill strong values, Motivate others

- **Vision:** Aspire, Instill, Motivate
- **Mission:** Project AIM strives to provide services and safe spaces for delinquent youth and their families in Mohave County.
- **Objectives:** Provide opportunities for pro-social growth through healthy interactions and activities
Provide training and skill building to prepare youth to succeed in the workforce
Provide educational support to help youth succeed in school
Improve family cohesiveness through family engagement and discussions
Reduce recidivism in Mohave County youth
- **Strategies:** Create a welcoming environment for recreational, educational and family programming
Employ Youth Care Workers full time for staffing and oversight
Provide onsite counseling for youth and families
Partner with Arizona @ Work to provide tutoring and job skill development
Partner with AZYP for Strengthening Families Curriculum
Partner with PSA Behavioral Health to provide therapeutic art to all participants
Partner with local organizations for special presentations and projects

"An Arrow can only be shot by pulling it backwards. When life is dragging you back with difficulties, it means it's going to launch you into something great. So just focus and keep aiming."

~Anonymous
