- FREQUENTLY ASKED QUESTIONS (FAQs): When must the subpoena be served? How far in advance of when I want the person to appear or the documents, records, objects or place made available for inspection must the subpoena be delivered? ANSWER: The rules of court known as the Arizona Rules of Civil Procedure (A.R.C.P.) do not specify any particular number of days that the subpoena must be delivered before the person is to appear or the documents or objects delivered or placed made available for inspection. The Rules do say that if the person receiving the subpoena feels that the length of time is unreasonable or otherwise objects, he or she must file an objection with the Court within 14 days of receiving the subpoena or before the date listed on the subpoena for the person to appear or to produce or provide access to the documents, records, objects, or location listed on the subpoena. A.R.C.P. 45(C)(5). Identical provisions are contained in Arizona Rules of Family Law Procedure (A.R.F.L.P.) Rule 52.
